Easy policy and procedure manuals

Standardize and strengthen control

Standardize procedure and strengthen control with easily customizable policy and procedure manuals. Creation, maintenance, distribution, and implementation of trade compliance policies and procedures is a requirement for all U.S. importers and exporters. Global Trade Compliance Learning's manuals let you quickly locate the policies you need from our library of hundreds of documents, quickly download, and easily customize to meet your company's ongoing needs.
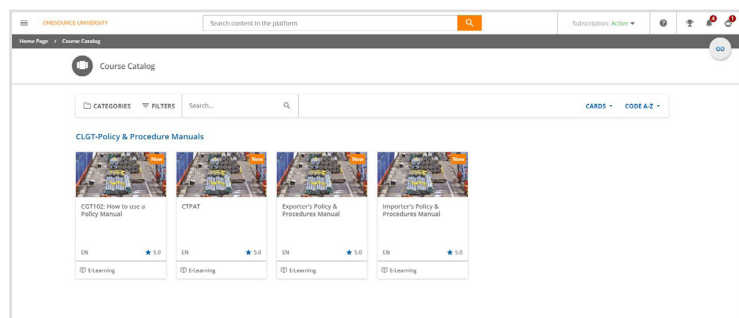

Clearly-marked quarterly updates make maintaining your manual simple.

Setting up

- Log in to ONESOURCE University by clicking on the orange "Sign In" button in the upper right corner.

- Enter your username and password in the spaces provided.

- Once you've logged in you will be taken to the homepage. Review the "Getting Started" document. Find your manuals by clicking on the course catalog.

Begin a course

- The list of manuals you have been assigned will appear on the course catalog page. To begin, select a manual and click on the icon. This will open the manual launch page.

- On the manual launch page you will be able to review which manual you have clicked into and either view the how-to course or download the manual, change record, or supplements.
