WHAT TYPE OF PORTAL IS RIGHT FOR YOUR FIRM?

See the difference between adopting an integrated portal solution versus paper.

**PAPER //** Paper returns were once king, but are no longer the best option for most firms. They’re not an efficient or cost-effective solution due to the time and resources required.

**Complete Return**

**Print**

How much money do you spend on your printers, toner and paper each season?

**Collate**

Do you have a full-time staff equivalent to collate? How much time and money do you spend?

**Mail**

How much does each mailing, including postage and service, cost?

**Ship to Client**

Review and return the 8879? How long does it take to receive payment?

**Relax or Move on to the Next Project**

**NETCLIENT CS® //** A step up from third-party portals is an integrated solution that works seamlessly with your current tax software, like UltraTax CS®, for example. This integration nearly eliminates all of the extra steps that are required when using paper or a third-party solution.

**Complete Return**

**Deliver to Client via Portal**
