

ONESOURCE TRUST & ESTATE ADMINISTRATION

Free Software Trial

FREE SOFTWARE TRIAL

Discover the benefits of the ONESOURCE Trust & Estate Administration fiduciary accounting, 706, 709, 1041 and zCalc programs today. ONESOURCE Trust & Estate Administration offers a National Standard format that is accepted by most states as well as 14 specific formats. States include : CA, CT, DE, FL, MA, MD, NJ, NH, NY, OH, PA, RI, VA and VT.

Since the 706 module is fully integrated with state estate and state inheritance tax programs, we offer a true single entry system. Currently state estate tax programs are available for CT, IL, MA, MD, NJ, NY, OH as well as state inheritance tax components for IN, NJ and PA.

To get started with a free trial of any or all of the software programs go to www.oteasoftware.com and create a temporary account.
